

### Title

Helix Pendant | Giant

### Description

This unassuming yet stunning lampshade is sure to fit in and stand out in any room. A single, piece of very fine ash (pale wood), oak (medium wood) or walnut (darker wood) is wrapped around itself to create a beautiful, simple shape which will suit any space.

The ash allows the light to emanate through the grain of the wood, creating a beautiful warm glow, whilst the oak and walnut push more of the light out of the bottom of the pendant and create a golden glow inside the shade.

Made by hand in Cornwall, England from sustainably sourced wood and finished with an eco-friendly, non-toxic varnish.

To be used with an energy saving max 25 watt light bulb (equivalent to a 125 watt standard bulb).
