Artus Portable Table Light

Daring yet delicate, the Artus Lighting Range diffracts a mesmerising pattern of shadows, dramatising your space.

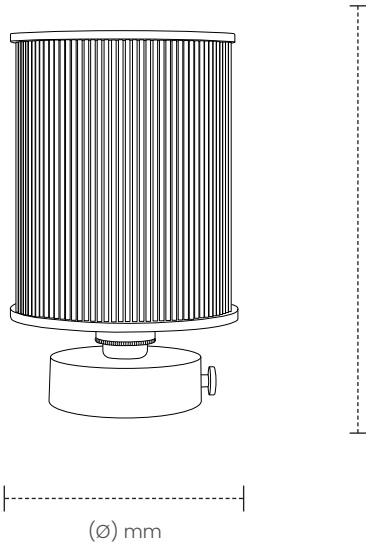

Stylish, sustainable and rechargeable. A cage of birch dowels are slotted into a birch frame to shroud the warm glow of an exposed filament bulb, casting kaleidoscopic, vertical shadows across your tabletop. Handcrafted from sustainably sourced wood and set on a brass base, this compact, cordless table lamp is easy to carry from room to room. Dimmable with the turn of a dial, it brings soft, atmospheric light to dining tables, bedside tables and cosy corners.

Elegance in every glow.
Define your space with light.

DISCLAIMER
Due to the character of handcrafted natural products, all dimensions are approximate.
Wood colour may slightly vary.
