

Noctis Skipper Floor Light

Undulating loops of timber navigate over and around. Where pared back design meets our signature curves, the Skipper Lighting Range leads the charge.

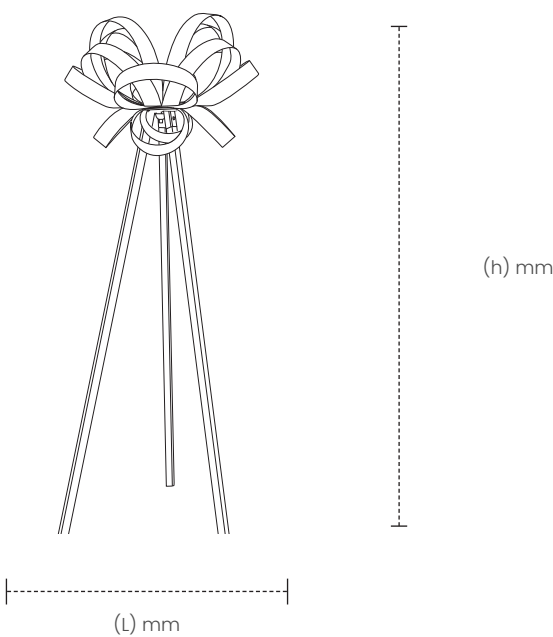

The Noctis Skipper Floor Light merges Scandinavian design principles with our signature curved aesthetic. Crafted from beautifully ebonised, sustainably sourced poplar and oak, this achromatic wooden floor lamp features a hand-shaped open structure that radiates light upward and outward, creating a captivating interplay of brightness and shadow. This truly timeless design is ideal for illuminating specific areas of your living space, layering light and creating ambiance in your Scandi inspired home.

Achieve impact with a lighter touch. Embrace simplicity. Make a statement in your space.

DISCLAIMER

Due to the character of handcrafted natural products, all dimensions are approximate. Wood colour may slightly vary. All product details are correct at time of print and are subject to change without notice.
