

Skipper Pendant

Undulating loops of timber navigate over and around. Where pared back design meets our signature curves, the Skipper Lighting Range leads the charge.

Scandinavian design principles and our sought-after aesthetic, merged. In the Skipper, sustainable ash, oak or walnut is hand-shaped to create an open light that casts out and up, in a bright, bold contrast of light and shadow.

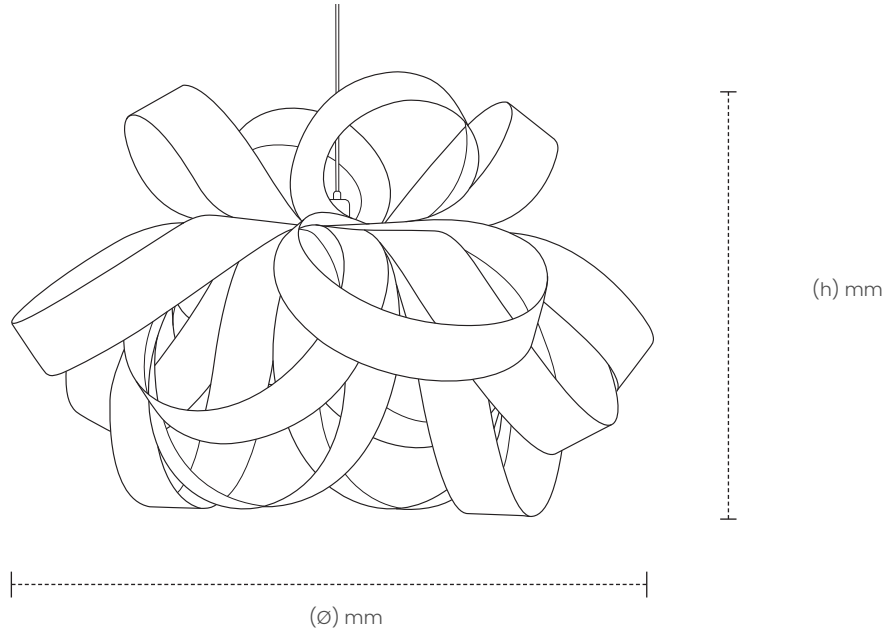

Achieve impact with a lighter touch. Embrace simplicity. Make a statement in your space.

The Skipper Pendant is also available as a floor light.

DISCLAIMER

Due to the character of handcrafted natural products, all dimensions are approximate. Wood colour may slightly vary. All product details are correct at time of print and are subject to change without notice.
