

Stem Floor Light

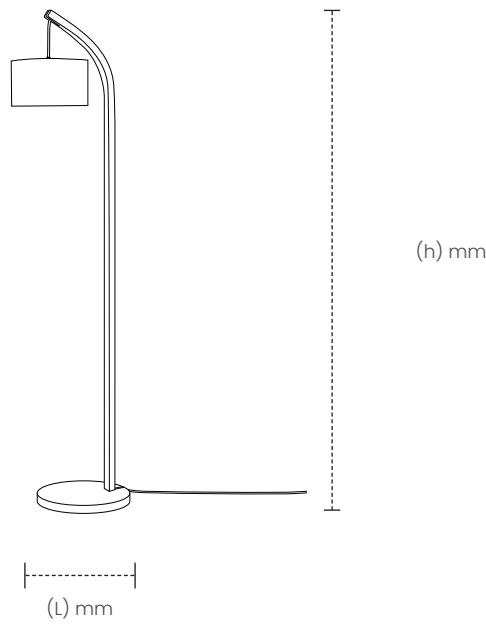

Honest. Bold. Considered. A branch of steam bent timber bows its head. From base to tip, the Stem design blends nature with elegance to put the lustre in illumination. Our Stem Lighting Range offers understated design at its best.

Handcrafted in sustainably sourced solid oak, the Stem's steam bent curve arches from its roots to showcase our sleek Kanna lampshade, which creates a glowing spotlight. Use the wooden Stem Floor Light to create ambience in your living space or accentuate your reading nook. Radiating light where you need it most; this statement wooden floor light is the ultimate balance between form and function.

Use light to single out. To draw together. To create sanctuary.

DISCLAIMER

Due to the character of handcrafted natural products, all dimensions are approximate. Wood colour may slightly vary. All product details are correct at time of print and are subject to change without notice.
